ADDITIONAL INFORMATION			
<p>Softball has affected my life in such a good way over the years. I have learned great teamwork, leadership and that the game is not always going to go as planned. I learned that when something that doesn't go as expected to not get mad and just shake it off so it doesn't affect the next play. My future plan involves softball I would love to go to college for softball While also going to college to become an anesthesiologist.</p>
