ADDITIONAL INFORMATION											
<p>Throughout the time I have played softball I have learned to love the game, and have grown to learn a lot about myself. Not only have I learned that I have a great work ethic but that I can achieve anything that I want if I work and apply myself. I hope to continue playing softball for not only the rest of highschool but truly want to continue playing the sport I love throughout college. Although this is the first time I am contacting any college coaches I am grateful you took the time to read this thank you.</p>
